MEMBER OF TAFT

CONGRESSMAN GILBERT GOING TO MANILA WHERE HE WILL ACCEPT A JUDGESHIP.

Newton W. Gilbert, a congressman from Indiana, was aboard the Manchuria en route to Manila where he is to accept a judgeship. He was a member of the Taft party when the trip was made last year. He was asleep at the time of the shock and has the following to say. "I was awakened by the sound more than the far. I knew that we had grounded and so I arose dressed and went on deck. There I ould feel the rain and could see the cliffs occasionally at first until dawn I noticed at once that we were hard and fast.

"The only excitement notickable was among the steerage passengers and when some of the Orientals tried to climb up on the upper deck then it vas that the gates were closed and the Orientals forced to submit by the officers. Every thing was carried on n a seamanlike manner. The conduct of Captain Saunders cannot be

McCandless Claims

Posts a Notice of Intention in Accordance With United States

Senator L. L. McCandless has taken a new course to acquire water rights on this island, to which he claims a right as a riprarian owner, they would stop to examine the utility of it. Quick He has posted the following notice and has filed it with an affidavit of verification in the registrar's office:

"Take notice that I hereby appropriate and claim all the waters up to the amount of two thousand (2000) inches measured under a four (4) inch pressure flowing in the Makawai (mauka) or Kaululoa and Kabakahaaukuu streams, in Waiahole, in Koolaupoko, Island of Oahu, Territory of Hawaii; that the purposes for which I claim said

water are irrigation and power; that I intend to use the said water for irrigation upon the Hanakea Tract and Grant No. 4111 owned by me, and for power upon said lands; that I intend to divert said water by means of ditches, tunnels, flumes and pipe lines; if in ditches the same to be four (4) feet wide in the bottom with a depth of three (3) feet; if in flumes the same to be three (3) feet wide in the bottom with a depth of thirty-six (36) inches; if in tunnels the same to be four (4) feet wide by five (5) feet high; if in pipes the same to be twenty-four (24) inches in diameter, made of steel, wood or concrete.

"L. L. McCANDLESS."

McCandless' action is taken under the federal laws regarding water rights. He proposes to use the water partly for a power plant, which may eventually be used for a railroad through the Koolau mountains into Honolulu, such was contemplated by his franchise bill in the last legislature.
